

Message from Eanes ISD and Westlake Athletics:

Parking and Shuttle Service

Due to construction around our campus there will be free remote parking available for the football game this Friday night with shuttle service to and from Chaparral Stadium (see maps and physical addresses below).

Parking will be provided at Valley View Elementary and Forest Trail Elementary initially. If those lots are full, a shuttle service will run from Cedar Creek Elementary for overflow parking.

Pregame shuttles will start at 6pm, and run through the first quarter of the game. Postgame shuttles will start at the beginning of the fourth quarter, and run as needed.

Drop off and pickup will be in the Westlake High School bus lane off of Westbank Dr. Shuttle buses picking up patrons at Westlake High School will have signs posted on their windows indicating their return location. Please make sure to board the bus designated for the lot in which you parked (VVE/FTE or CCE).
